Hey Dr. Kim, what's everyone running around for?
We're leaving earlier than planned.
Our schedule's been accelerated.

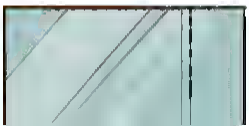
Why?
Did somethins happen?
A drone got into the house last night.
Some one was spying on us.
HQ wants you and I out of here ASAP.

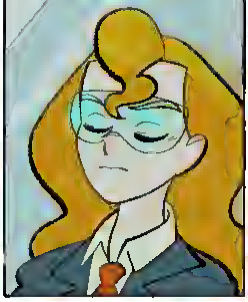
Wow...

We'll be leaving with the armored transport in twenty minutes.
Are you ready to go?

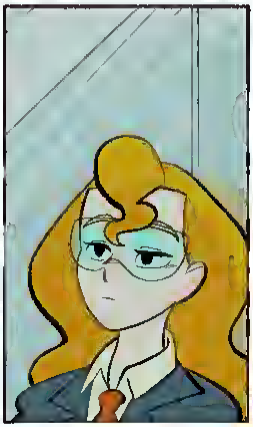
I've been ready for days.

GO SOUTH PINES!
GO
SOUTH PINES





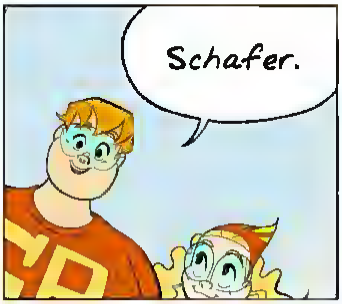
Hey Cassie!



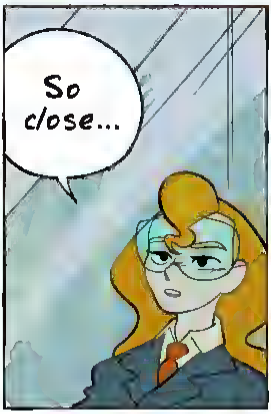
Hey...
...Tamara, right?
Yep!

And you're--

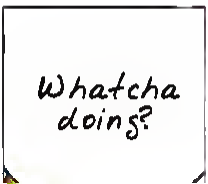
Collin?



Schafer.

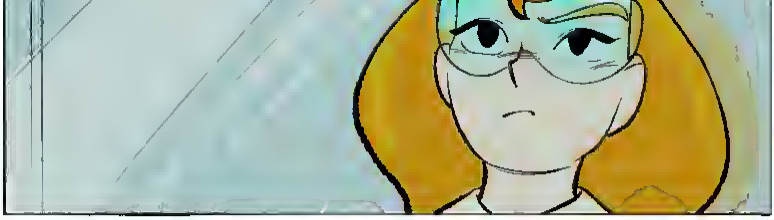


So close...

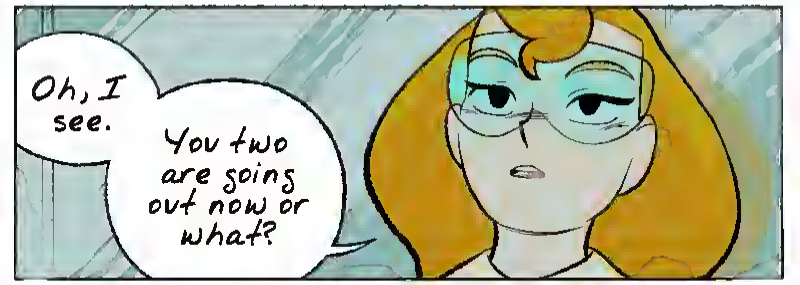


Whatcha doing?

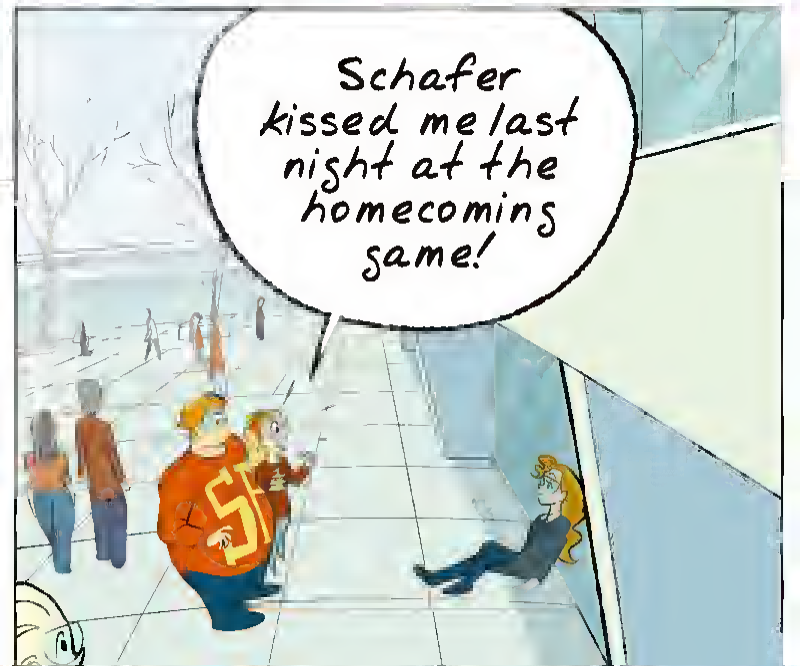
Sigh...
I don't know.
Breathing? Getting older? Waiting to die?
HA HA HA
Good one!



SP



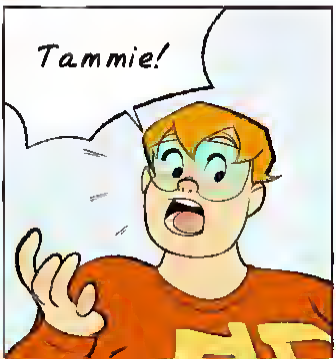
Oh, I see.
You two are going out now or what?



Schafer kissed me last night at the homecoming game!

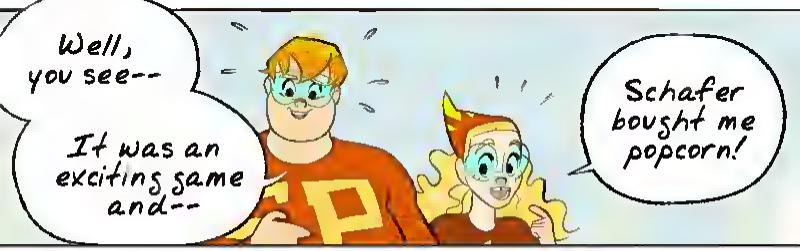
SMACK!

Right on the mouth!

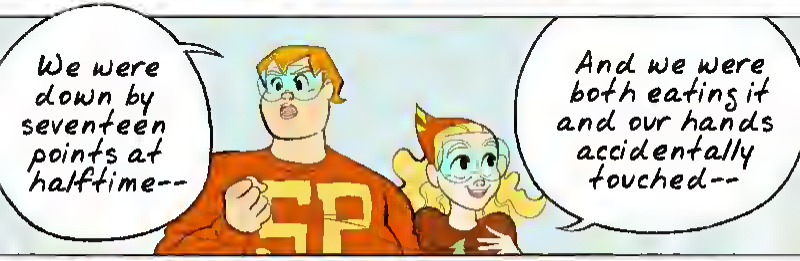


Tammie!

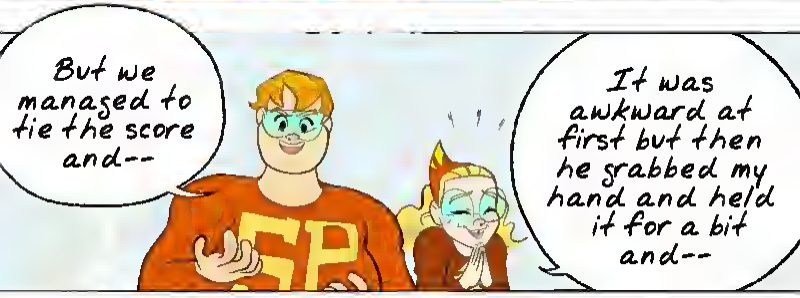
Ha ha!
Tell me more!



Well, you see--
It was an exciting game and--
Schafer bought me popcorn!

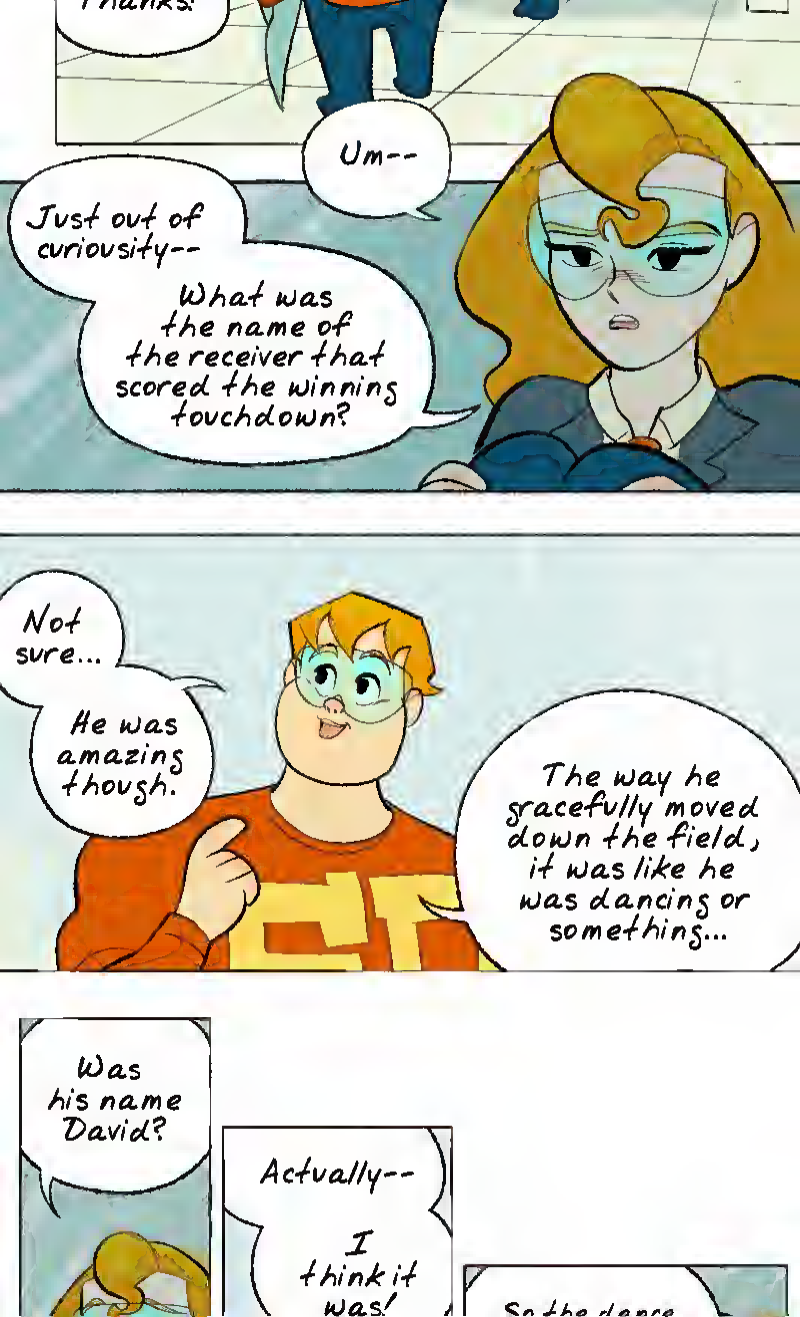


We were down by seventeen points at halftime--
And we were both eating it and our hands accidentally touched--



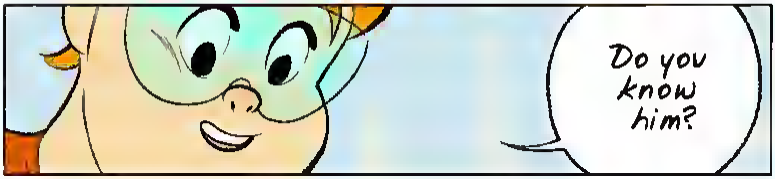
But we managed to tie the score and--
It was awkward at first but then he grabbed my hand and held it for a bit and--

In the last few seconds one of our receivers took the ball and ran a sixty yard touchdown!
And we won!
Yay!
And then...
Uh...
He kissed me!
In the excitement of the moment...
Well, congratulations you two.

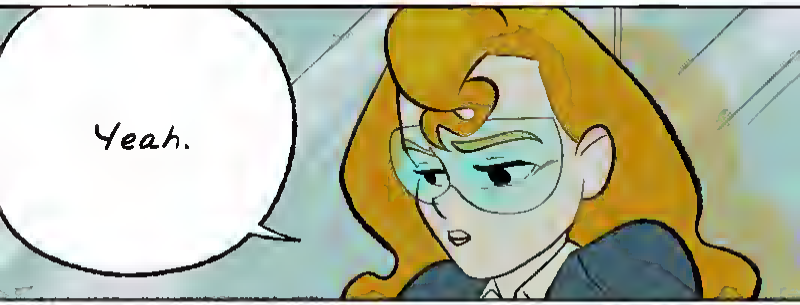


Thanks!
Um--
Just out of curiousity--
What was the name of the receiver that scored the winning touchdown?
Not sure...
He was amazing though.
The way he gracefully moved down the field, it was like he was dancing or something...
Was his name David?
Actually--
I think it was!

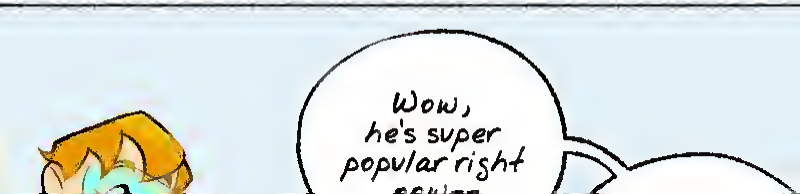
classes coach made him take actually paid off...



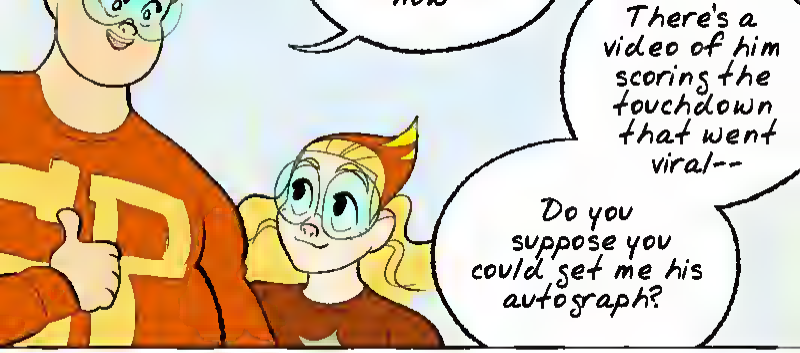
Do you know him?



Yeah.



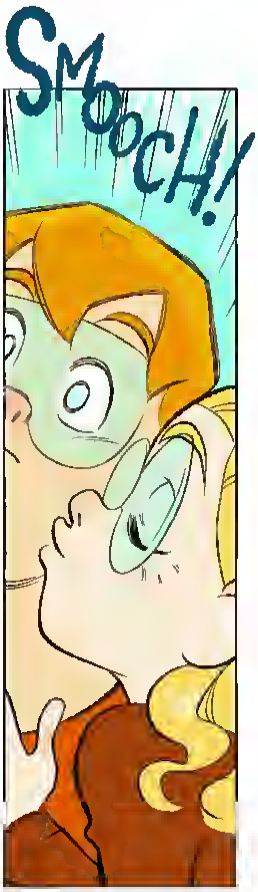
Wow, he's super popular right



There's a video of him scoring the touchdown that went viral--
Do you suppose you could get me his autograph?

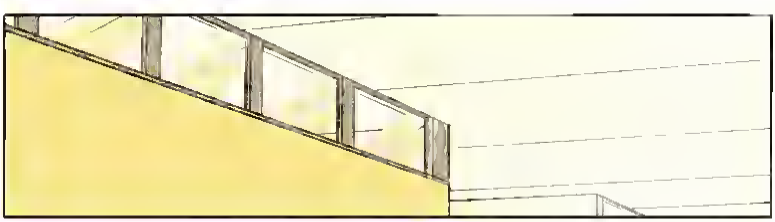
No.
Not anymore.

RUNNNGG!!

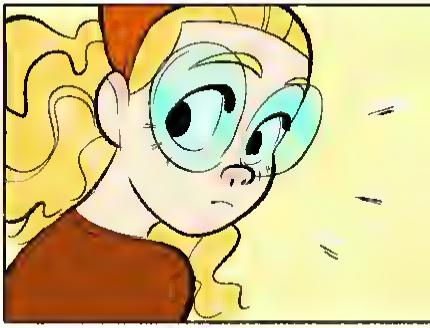


SMOOCH!

See you guys at lunch!
Bye Schafer!
B--
Bye...

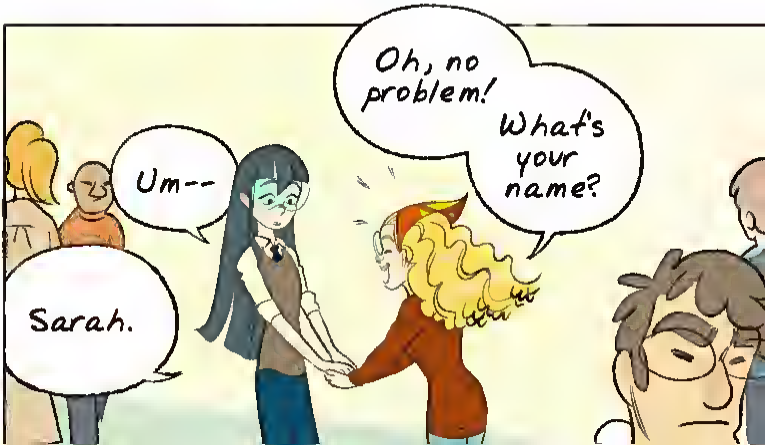


Excuse me...



Yes?

I'm new here.
Can you help me find the girls locker room?



Oh, no problem!
What's your name?
Um--
Sarah.

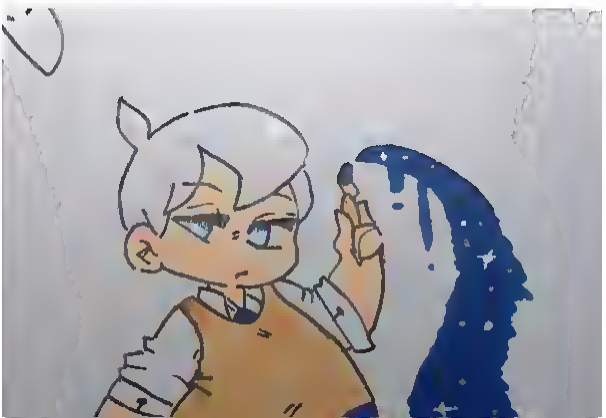
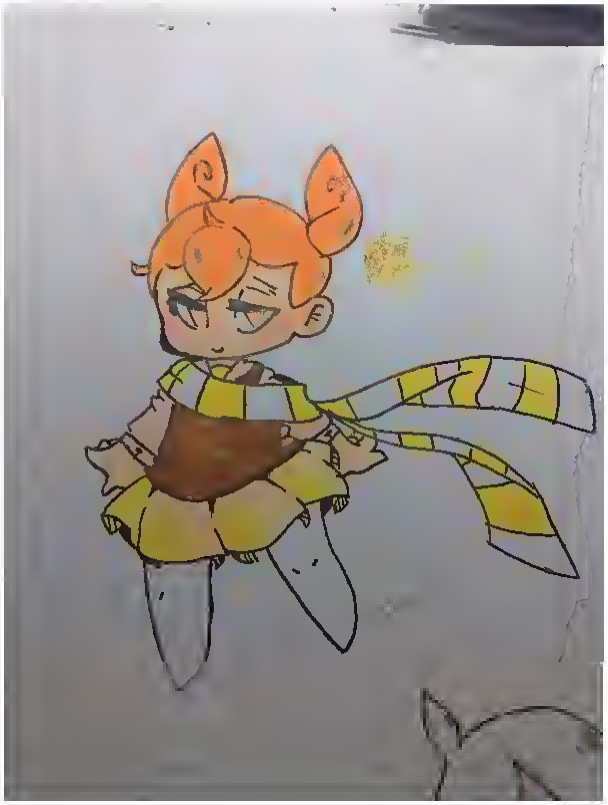
"Recently ive had a lot of hate on my art recently, and that hasnt been too encourasing. But, reading this comic helps. And I figured I should do some fan art for it, so here you go."





# Alejandra

"This is my first time ever that I ever drew a small fanfic comic strip. I drew what I think Oliver's perspective since meeting Amy was like. I drew this around the time people suspected Oliver might have Synesthesia too. I think Amy is a star to him."

"How it would be that SpaceBoy has music in the background as other comics around the Webtoons?"

"And... here is
a photo, from a tree in a park,
that looks like it has eyes as the
ones you draw."
